August 1, 2009

Dear CACC Parents,

Athens High School is proud of your child in their efforts to attend CACC. Your child's participation is vital to the success of this educational opportunity. The school district will provide transportation throughout the duration of the school year. **In our pursuit to provide transportation, the school district will transport to and from the high school.**

It is imperative that if your son/daughter wants to drive to or from CACC-written parental permission needs to be on file at the school.

Students are NOT allowed to ride with another student to or from CACC at any time. Students who do not follow our basic transportation expectations will lose the privilege of attending CACC.

If your child intends to drive to CACC during the year, please sign and return this form. Once signed, this document releases the school district of any liability associated with your child's transportation needs.

Sincerely,

Mike Curry
Principal
Athens High School

I give permission for my son/daughter to drive to and from CACC during the 2009-2010 school year.
